Loagan Bunut National Park

Relaxation & Fun With Nature

Sarawak's only freshwater lake of 650 hectares was guarded by the local Berawan tribes as a sacred cultural and economic heritage. Tranquil panorama with abundant fish and a haven for resident and migratory birds like Oriental Darter, Purple Heron, Hornbill and the rare Storm's Stork.

Loagan Bunut 2 days 1 night

Day 01 - Drive passes forest, longhouses, rice fields, pepper and market gardens. At Loagan Bunut National Park proceed to chalet by a short boat ride (or walk on mud flats during the dry season). Take a lake and river cruise to observe birds and other wildlife. Observe the unique Selambau fishing (when in season). Return to the chalet for a sunset rendezvous.

Day 02 - Early morning take a lake and river cruise. Breakfast. At own leisure. Depart for Miri.

• Night cruise or night walk available for extension night.

Optional tours: Oil Palm Plantation & Mill Tour, Orchid & Tropical Fruit Farm

Now, with 3day trip, there's more to offer for you to enjoy your weekend with your family and friends.

Other activities; We offer mountain biking, canoeing, night cruise or night walk to get you closer with nature. Find out more about the firefly (Lampyridae).

What to bring? Most important is torch light, long sleeve for the night, insect repellent, binoculars and towel.

It's all for you, call us now for booking.
